

## **POLYMER CONTINUOUS HINGES IN 15.25 METER ROLLS**

**44-7-3010**

Technical features:

- Temperature: -40°C up to +80°C.
- Can be fixed with: rivets, screws, nails or clamps.
- Chemical resistance: oil, solvents, sea water and most chemical agents.
- Tensile resistance: 180 N/cm.
- Material offers excellent fatigue resistance.

<b>Material</b>	polypropylene
<b>Weight (g)</b>	3100 g
<b>B (width)</b>	76.2 mm
<b>C</b>	3.2 mm
